

CIT 249: Java II

Chapter 38 Programming Assignment 2

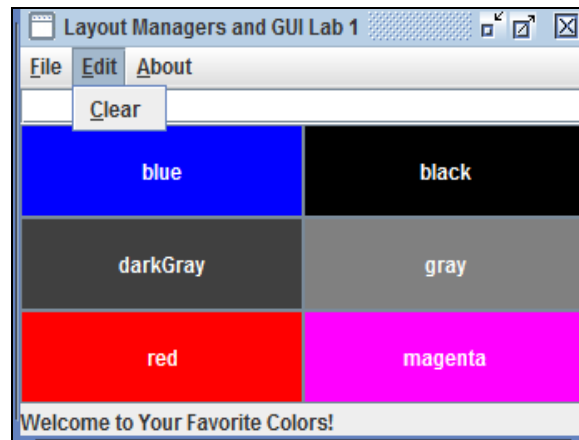

Complete the following program. Here are some printouts of the program. The title bar will be slightly different since we will create the default JFrame look instead.

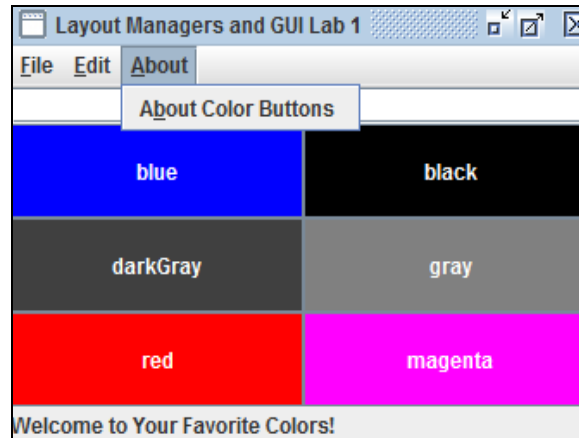

Shown at startup

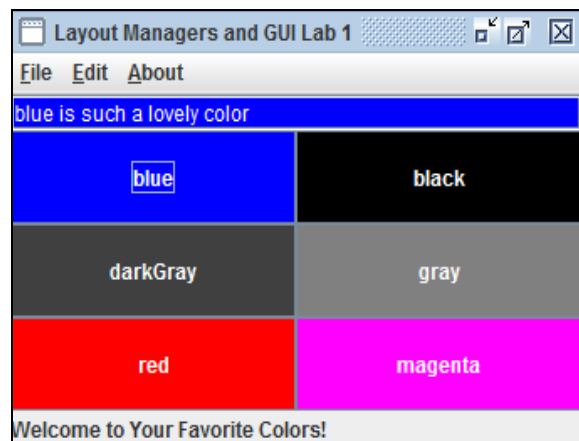

When File is pressed

When Edit is pressed

When About is pressed

When one of the buttons is selected. In this case blue was selected

1. Compress all files into a single zip or rar file and submit.
