

CIT 249

Chapter 11 Programming Assignment

Complete #5 on page 443. When the program is run it will display as:

A screenshot of a Windows command prompt window. The title bar shows 'C:\Windows\system32\cmd.exe'. The window has a dark blue background with white text. The output of the program is as follows:

```
Number of students in course1: 3
Peter Jones,
Brian Smith,
Anne Kennedy,

Number of students in course2:
Peter Jones,
Steve Smith,
Press any key to continue . . .
```

You may add any formatting you wish in this assignment. Some requirements:

- Add the mutator methods in the Course class.
- You must have an array for the Course objects.
- When entering the name of each student the addStudent() method should be passed the name of each student.

Compress all files into a single zip or rar file and submit. You should have one .java file and two .class files.
